The first WoF series in nutshell: So there are this five dragons that were kidnapped from their homes because of a prophecy that wasn't really a prophecy but they go through a lot of stuff and saved the world. Although their adventures and hardship they went through didn't need to happen at all, the fandom isn't complaining because —

Me: *drops mic* *horrible sounds* *pics up mic*

Me: —uh, they have a lot of cute ships. Haha.

#101

SPOOFS SPECIAL!

Comment a question to any character in WoF, and they (well, I) will answer them!

For example,

From @IShipStarflightWithAScollOMG

*Question to Starflight: How much do you like the ship Starflight X Scroll? IT'S MY OTP OMGGGGGG !!1!! *fangirls**

Starflight: It's worse than shipping someone with a brick... But I mean I think I'm already taken so...bruh

PJO fans: What? Jason? Where are u?

Jason: Somewhere, over the rainbow WAY UP HIGH

Me: JASON COME BACKKKKK I LUV U *sobs*

~

Real questions:

Hey Blaze, how much do you love the ship Blaze X jewlery? @ Queen-Zira

Blaze: I SHIP IT. IT IS MY OTP .

Blaze: I SHIPPPPPP IT.

~

Hey Clay... What's the deal with you having us want to kill you for the "taking ten books just to fly with Peril" thing? give me explanation or I will...TAKE AWAY YOUR COWS! @ XLOTLE

Clay: NO! NOT MY COWS!

Clay: I'm just... SLOW OK?! *sobs* NOOOOT MY COWS BRO

Clay: Shhh , my cows, I'll protect you.

~

Hey Moon which one would you rather be your love! Winter or Qibli? And winter do you like Moon? @ roooes

Moon: I think Qibli, and it's canon, so...

Winter: I liked Moon,but I think I'm ready to move on lol. Me heartbroken but then I'm a cinnamon roll hahaha

Winter: Wait that doesn't make sense

Moon: #themoreyouknow

~

Hey Anemone do you really like Tamarin? And Tamarin do you like Anemone?
@ Bookworm_Supreme

Anemone: I mean I didn't even come out yet hahahaha but I am a big supporter of anemarin lol

Anemone: *shrugs*

~

Winter, if you were a scavenger, what would your name be? @ ChemGalCat

Winter: Uh.

Winter: Winter.

Winter: that wasn't awkward at all.

~

If he was female though, would he still be Winter or, like, Snowflake?

*Or....ELSA? *frozen music playing in the background* @ Ultronviolet*

Winter: Um.

Winter: I haaaate frozen. Such an overrated movie, I just hate it. So childish. Nobody watches it anymore.

Also Winter: *gets caught singing Let It Go*

Extra:

Winter: The snow glows white on the mountain tonight *sad eyes*

Not a talonprint to be seen *whispers*

A kingdom of isolation
And it looks like I'm the king

The wind is howling like this swirling storm inside *abababababaaaaa*

Couldn't keep it in, heaven knows I tried *can u hear me dead dad. Dead dad? Huh???*

Don't let them in, don't let them see *I mean they see anyway. Cough, cough.*

Be the good dragon you always have to be *I was never good tho*

Conceal, don't feel, don't let them know
Well, now they know *I think they always knew but oH well*

Let it go, let it go *frostbreathhhhhh*
Can't hold it back anymore
Let it go, let it go
Turn away and slam the door *bangbang*

I don't care *reminds me of the song lolol*

What they're going to say
Let the storm rage on
The cold never bothered me anyway
